PATIENT CANCELLATION AND NO-SHOW AGREEMENT

To better serve our patients and provide excellent care, Advanced Pain Care (APC) will enforce a new cancellation, no-show, and/or late arrival policy, effective August 1, 2022. In order to provide you with high quality health care, it is important for you to keep your scheduled appointment with the medical provider. Valuable time has been reserved for you or your family member. A missed appointment or late cancellation of an appointment results in lost time which could have been given to another patient awaiting to receive care.

APC will try to remind you of your appointment (via your preferred method of communication). However, it is your responsibility to keep a record of your appointment and to arrive on time. If you need to cancel or reschedule your appointment, please call or text 24 hours in advance (between the hours of 8:00 AM and 5:00 PM). We realize that an emergency may occur, and you may not be able to notify us. We will discuss such situations with you if such emergencies occur.

APC classifies a late arrival as more than 40 minutes past your allotted appointment time. After more than three (3) no-shows, cancellations, and/or late arrivals within a six (6) month period, APC will suspend your scheduling privileges and request that you see your referring physician for a referral back to APC.

A no-show will be fined \$25, and this must be paid before scheduling another appointment.

Thank you for working with us to ensure that services are provided to all our patients in the best possible way.

Pharmacy Letter

Patient's Name: _____

Date of Birth: _____

Dear Valued Patients:

Due to new government regulations, it will be much harder to get pain medications approved through your pharmacy starting, January 1, 2019.

Your pharmacist will be required to call your doctor and discuss your prescription(s). In many cases, this could take days. Also, your insurance company will have increased preauthorization requirements that may delay prescriptions.

We strongly urge you to use our pharmacy to avoid this red tape nightmare. Our pharmacists have access to our electronic medical records and can quickly and seamlessly confirm, communicate and obtain authorization for our prescriptions.

There will be no waiting. Your prescriptions will be ready to be picked-up the next day or mailed to your door within 1-2 days. We will have them in stock.

Another regulation is no pharmacy can fill only controlled substances. We ask that for every controlled prescription, you also fill at least one other non-controlled prescription. Your medications can be transferred with a simple call from our pharmacists. We can also fill medications for your family and pets for your convenience.

Your follow-up appointments will be scheduled about two days before running out of medication, giving your doctor and pharmacist time to satisfy all the new requirements.

If you would like Advanced Rx to become your pharmacy, please check the box.

Please sign below stating that you have read and have been informed about the new government mandated rules for prescribers and pharmacists regarding controlled medication refills going into effect January 2019.

Feel free to speak with me, your provider or any staff member should you need more information.

Sincerely,

Mark T. Malone, M.D.
