We accept assignment with most major insurance companies and participating provider plans. However, you must understand that: **(Please initial all lines below)**

- \_\_\_\_\_ 1. Your insurance policy is a contract between you, your employer, and the insurance company. We are NOT a party to that contract. Our relationship is with you, not your insurance carrier. We verify your benefits as a courtesy and do not guarantee of coverage or payment.
- \_\_\_\_\_ 2. All charges are your responsibility whether your insurance company pays or not.
- \_\_\_\_\_ 3. Fees for services, along with unpaid deductibles and co-payments, are due at the time of treatment.
- \_\_\_\_\_ 4. If the insurance company does not pay your balance in full within 30 days, we ask that you contact the carrier to request prompt payment. Please inform our office of the carrier's response.
- \_\_\_\_\_ 5. Returned checks will be subject to a \$25.00 collection charge. If the check is not picked up within 10 days, the check may be turned over to law enforcement.
- \_\_\_\_\_ 6. No show or cancellations without 24 hour notice are subject to a \$25.00 charge.
- \_\_\_\_\_ 7. Unpaid balances over 90 days may be subject to collections via small claims court, attorney, and/or collection agency with applicable collection fees. All collection fees are the responsibility of the patient.

We understand that temporary financial problems may affect timely payment of your balance. We encourage you to communicate any such problems so that we can assist you in the management of your account.

**Authorization to Release and Assign Insurance Benefits:** I authorize release of **ANY** medical information, including substance abuse, mental health, and HIV/AIDS records, required to act on **ANY** medical insurance claim and permit photographic or other facsimile reproduction of this authorization to be used in place of the original assignment. ## INFORMED CONSENT

Patient's Name: \_\_\_\_\_ Date of Birth: \_\_\_\_\_

**AS REQUIRED BY THE TEXAS MEDICAL BOARD REFERENCE: TEXAS ADMINISTRATIVE CODE, TITLE 22, PART 9, CHAPTER 170 3 Rd**

*Edition: Developed by the Texas Pain Society, April 2008 ([www.texaspain.org](http://www.texaspain.org))*

### PLEASE INITIAL EACH PARAGRAPH SIGNIFYING CONSENT AND UNDERSTANDING

\_\_\_\_\_ **TO THE PATIENT:** As a patient, you have the right to be informed about your condition and the recommended medical or diagnostic procedure or drug therapy to be used, so that you may make the informed decision whether or not to take the drug after knowing the risks and hazards involved. This disclosure is not meant to scare or alarm you, but rather it is an effort to make you better informed so that you may give or withhold your consent/permission to use the drug(s) recommended to you by me, as your physician. For the purpose of this agreement the use of the word "physician" is defined to include not only my physician but also my physician's authorized associates, technical assistants, nurses, staff, and other health care providers as might be necessary or advisable to treat my condition.

\_\_\_\_\_ **CONSENT TO TREATMENT AND/OR DRUG THERAPY:** I voluntarily request my physician to treat my condition which has been explained to me as chronic pain. I hereby authorize and give my voluntary consent for my physician to administer or write prescription(s) for dangerous and/or controlled drugs (medications) as an element in the treatment of my chronic pain. It has been explained to me that these medication(s) include opioid/narcotic drug(s), which can be harmful if taken without medical supervision. I further understand that these medication(s) may lead to physical dependence and/or addiction and may, like other drugs used in the practice of medicine, produce adverse side effects or results. The alternative methods of treatment, the possible risks involved, and the possibilities of complications have been explained to me as listed below. I understand that this listing is not complete, and that it only describes the most common side effects or reactions, and that death is also a possibility as a result from taking these medication(s).

*THE SPECIFIC MEDICATION(S) THAT MY PHYSICIAN PLANS TO PRESCRIBE WILL BE DESCRIBED AND DOCUMENTED SEPARATE FROM THIS AGREEMENT. THIS INCLUDES THE USE OF MEDICATIONS FOR PURPOSES DIFFERENT THAN WHAT HAVE BEEN APPROVED BY THE DRUG COMPANY AND THE GOVERNMENT (THIS IS SOMETIMES REFERRED TO AS "OFF-LABEL" PRESCRIBING). MY DOCTOR WILL EXPLAIN HIS TREATMENT PLAN(S) FOR ME AND DOCUMENT IT IN MY MEDICAL CHART.*

\_\_\_\_\_ **I HAVE BEEN INFORMED AND UNDERSTAND** that I will undergo medical tests and examinations before and during my treatment. Those tests include random unannounced checks for drugs and psychological evaluations if and when it is deemed necessary, and I hereby give permission to perform the tests or my refusal may lead to termination of treatment. The presence of unauthorized substances may result in my being discharged from your care.

\_\_\_\_\_ **I UNDERSTAND THAT THE MOST COMMON SIDE EFFECTS THAT COULD OCCUR IN THE USE OF THE DRUGS USED IN MY TREATMENT INCLUDE BUT ARE NOT LIMITED TO THE FOLLOWING:** constipation, nausea, vomiting, excessive drowsiness, itching, urinary retention (inability to urinate), orthostatic hypotension (low blood pressure), arrhythmias (irregular heartbeat), insomnia, depression, impairment of reasoning and judgment, respiratory depression (slow or no breathing), impotence, tolerance to medication(s), physical and emotional dependence or even addiction, and death. I understand that it may be dangerous for me to operate an automobile or other machinery while using these medications and I may be impaired during all activities, including work.

Patient's Name: \_\_\_\_\_

Date of Birth: \_\_\_\_\_

**FOR FEMALE PATIENTS ONLY:**

\_\_\_\_\_ To the best of my knowledge **I AM NOT PREGNANT**. If I am not pregnant, I will use appropriate contraception/birth control during my course of treatment.

\_\_\_\_\_ I accept that it is **MY RESPONSIBILITY** to inform my physician immediately if I become pregnant.

\_\_\_\_\_ If I am pregnant or am uncertain, **I WILL NOTIFY MY PHYSICIAN IMMEDIATELY**. All of the above possible effects of medication(s) have been fully explained to me and I understand that, at present, there have not been enough studies conducted on the long-term use of many medication(s) i.e. opioids/narcotics to assure complete safety to my unborn child(ren). With full knowledge of this, I consent to its use and hold my physician harmless for injuries to the embryo/ fetus / baby.

\_\_\_\_\_ The **alternative methods** of treatment, the possible risks involved, and the possibilities of complications have been explained to me, and I still desire to receive medication(s) for the treatment of my chronic pain.

\_\_\_\_\_ The **goal** of this treatment is to help me gain control of my chronic pain in order to live a more productive and active life.

\_\_\_\_\_ **I REALIZE** that I may have a chronic illness and there is a limited chance for complete cure, but the goal of taking medication(s) on a regular basis is to reduce (but probably not eliminate) my pain so that I can enjoy an improved quality of life.

\_\_\_\_\_ **I REALIZE** that the treatment for some will require prolonged or continuous use of medication(s), but an appropriate treatment goal may also mean the eventual withdrawal from the use of all medication(s). My treatment plan will be tailored specifically for me.

\_\_\_\_\_ **I UNDERSTAND** that I may withdraw from this treatment plan and discontinue the use of the medication(s) at any time and that I will notify my physician of any discontinued use.

\_\_\_\_\_ **I FURTHER UNDERSTAND** that I will be provided medical supervision if needed when discontinuing medication use

\_\_\_\_\_ **I UNDERSTAND** that no warranty or guarantee has been made to me as to the results of any drug therapy or cure of any condition. The long-term use of medications to treat chronic pain is controversial because of the uncertainty regarding the extent to which they provide long-term benefit.

\_\_\_\_\_ **I HAVE BEEN GIVEN THE OPPORTUNITY** to ask questions about my condition and treatment, risks of non-treatment and the drug therapy, medical treatment or diagnostic procedure(s) to be used to treat my condition, and the risks and hazards of such drug therapy, treatment and procedure(s), and I believe that I have sufficient information to give this informed consent.

## Pharmacy Letter

Patient's Name: \_\_\_\_\_

Date of Birth: \_\_\_\_\_

Dear Valued Patients:

Due to new government regulations, it will be much harder to get pain medications approved through your pharmacy starting, January 1, 2019.

Your pharmacist will be required to call your doctor and discuss your prescription(s). In many cases, this could take days. Also, your insurance company will have increased preauthorization requirements that may delay prescriptions.

We strongly urge you to use our pharmacy to avoid this red tape nightmare. Our pharmacists have access to our electronic medical records and can quickly and seamlessly confirm, communicate and obtain authorization for our prescriptions.

There will be no waiting. Your prescriptions will be ready to be picked-up the next day or mailed to your door within 1-2 days. We will have them in stock.

Another regulation is no pharmacy can fill only controlled substances. We ask that for every controlled prescription, you also fill at least one other non-controlled prescription. Your medications can be transferred with a simple call from our pharmacists. We can also fill medications for your family and pets for your convenience.

Your follow-up appointments will be scheduled about two days before running out of medication, giving your doctor and pharmacist time to satisfy all the new requirements.

If you would like Advanced Rx to become your pharmacy, please check the box.

Please sign below stating that you have read and have been informed about the new government mandated rules for prescribers and pharmacists regarding controlled medication refills going into effect January 2019.

Feel free to speak with me, your provider or any staff member should you need more information.

Sincerely,

Mark T. Malone, M.D.

## PAIN MANAGEMENT AGREEMENT

Patient's Name: \_\_\_\_\_

Date of Birth: \_\_\_\_\_

**AS REQUIRED BY THE TEXAS MEDICAL BOARD REFERENCE: TEXAS ADMINISTRATIVE CODE, TITLE 22, PART 9, CHAPTER 170 3 Rd**  
Edition: Developed by the Texas Pain Society, April 2008 ([www.texaspain.org](http://www.texaspain.org)).

\_\_\_\_\_ **I UNDERSTAND** that this pain management agreement relates to my use of any and all medication(s) (i.e., opioids, also called 'narcotics, painkillers', and other prescription medications, etc.) for chronic pain prescribed by my physician.

\_\_\_\_\_ **I UNDERSTAND** that there are Federal and State laws, regulations and policies regarding the use and prescribing of controlled substance(s). *Therefore, medication(s) will only be provided so long as I follow the rules specified in this Agreement.*

\_\_\_\_\_ **I UNDERSTAND** that my physician may at any time choose to discontinue medication(s). Failure to comply with any of the following guidelines and/or conditions may cause discontinuation of medication(s) and/or my discharge from care and treatment. Discharge may be immediate for any criminal behavior:

- My progress will be periodically reviewed and, if the medication(s) are not improving my quality of life, the *medication(s) may be discontinued.*
- I will *disclose* to my physician all medication(s) that I take (at any time), prescribed by any physician.
- I will use the medication(s) *exactly as directed by my physician.*
- I agree *not to share*, sell or otherwise permit others, including my family and friends, to have access to these medications. I will *not allow or assist in the misuse/diversion* of my medication; *nor will I give or sell them* to anyone else.
- All medication(s) must be obtained at one pharmacy, where possible. Should the need arise to change pharmacies, my physician must be informed. I will use only one pharmacy and I will provide my pharmacist a copy of this agreement. I authorize my physician to release my medical records to my pharmacist as needed.
- I understand that my medication(s) will be refilled on a regular basis. I understand that my prescription(s) and my medication(s) are exactly like money. If either are lost or stolen, they may *not be replaced.*
- Refill(s) *will not be ordered before the scheduled refill date.* However, early refill(s) may be allowed when I am traveling and I make arrangements in advance of the planned departure date. Otherwise, I will not expect to receive additional medication(s) prior to the time of my next scheduled refill, even if my medication(s) run out.
- I will receive medication(s) *only from ONE physician* unless it is for an emergency or the medication(s) that is being prescribed by another physician is approved by my physician. Information that I have been receiving medication(s) prescribed by other doctors that have not been approved by my physician may lead to discontinuation of medication(s) and treatment.
- If it appears to my physician that there are no demonstrable benefits to my daily function or quality of life from the medication(s), *then my physician may try alternative medication(s) or may taper me off all medication(s).* I will not hold my physician liable for problems caused by the discontinuance of medication(s).
- I *agree to submit to urine and/or blood screens* to detect the use of non-prescribed and prescribed medication(s) at any time and without prior warning. If I test positive for illegal substance(s), such as marijuana, speed, cocaine, etc., treatment for chronic pain may be terminated. Also, a consult with, or referral to, an expert may be necessary: such as submitting to a psychiatric or psychological evaluation by a qualified physician such as an addictionologist or a physician who specializes in detoxification and/or rehabilitation and/or cognitive behavioral therapy/psychotherapy performed by a therapist or licensed counselor.

Patient's Name: \_\_\_\_\_

Date of Birth: \_\_\_\_\_

- I recognize that my chronic pain represents a complex problem which may benefit from physical therapy, psychotherapy, alternative medical care, etc. I also recognize that my *active participation in the management of my pain* is extremely important. I agree to *actively participate in all aspects of the pain management program* recommended by my physician to achieve increased function and improved quality of life.
- I agree that I *shall inform any doctor* who may treat me for any other medical problem(s) that I am enrolled in a Pain Management Program, since the use of other medication(s) may cause harm.
- I hereby give my physician *permission* to discuss all diagnostic and treatment details with my other physician(s) and pharmacist(s) regarding my use of medications prescribed by my other physician(s).
