ASSIGNMENT OF BENEFITS, RELEASE OF INFORMATION AND FINANCIAL AGREEMENT

Patient's Name: _____

Date of Birth: _____

Thank you for choosing **Advanced Pain Care and its sub-specialties, affiliated and related entities** your health care provider. The following is our Financial Policy. If you have any questions or concerns about our payment policies, please do not hesitate to ask our business office personnel. We ask that all patients read and sign our Financial Policy prior to seeing a medical care provider.

A patient's portion of payment, including co-pay, deductible, and/or balance on account is due at the time services are rendered unless prior arrangements have been made with the Billing Department.

We accept assignment with most major insurance companies and participating provider plans. However, you must understand that:

1. Your insurance policy is a contract between you, your employer, and the insurance company. We are NOT a party to that contract. Our relationship is with you, not your insurance carrier. We verify your benefits as a courtesy and do not guarantee coverage or payment.
2. All charges are your responsibility whether your insurance company pays or not.
3. Fees for services, along with unpaid deductibles and co-payments, are due at the time of treatment.
4. If the insurance company does not pay your balance in full within 30 days, we ask that you contact the carrier to request prompt payment. Please inform our office of the carrier's response.
5. Returned checks will be subject to a \$25.00 collection charge. If the check is not picked up within 10 days, the check may be turned over to law enforcement.
6. No show or cancellations without 24-hour notice are subject to a \$25.00 charge.
7. Unpaid balances over 90 days may be subject to collection via small claims court, attorney, and/or collection agency with applicable collection fees. All collection fees are the responsibility of the patient.

We understand that temporary financial problems may affect timely payment of your balance. We encourage you to communicate any such problems so that we can assist you in the management of your account.

Authorization to Release Billing Information and Assignment of Insurance Benefits: I authorize release of **ANY** medical information, including substance abuse, mental health, and HIV/AIDS records, required to act on **ANY** medical insurance claim and permit photographic or other facsimile reproduction of this authorization to be used in place of the original assignment. I hereby assign to **Advanced Pain Care and its sub-specialties, affiliated and related entities** the medical and/or surgical benefits I am entitled from my insurance company(s) and/or Medicare and Medicaid. This authorization is in effect for all future claims, until I choose to revoke it in writing.

I, the undersigned, understand and agree to the above Financial Policy. I understand that I am financially responsible for all charges incurred for my medical treatment. I have had the opportunity to ask and have my questions answered to my satisfaction.

Dear Valued Patients:

Due to new government regulations, it will be much harder to get pain medications approved through your pharmacy starting, January 1, 2019.

Your pharmacist will be required to call your doctor and discuss your prescription(s). In many cases, this could take days. Also, your insurance company will have increased preauthorization requirements that may delay prescriptions.

We strongly urge you to use our pharmacy to avoid this red tape nightmare. Our pharmacists have access to our electronic medical records and can quickly and seamlessly confirm, communicate and obtain authorization for our prescriptions.

There will be no waiting. Your prescriptions will be ready to be picked-up the next day or mailed to your door within 1-2 days. We will have them in stock.

Another regulation is no pharmacy can fill only controlled substances. We ask that for every controlled prescription, you also fill at least one other non-controlled prescription. Your medications can be transferred with a simple call from our pharmacists. We can also fill medications for your family and pets for your convenience.

Your follow-up appointments will be scheduled about two days before running out of medication, giving your doctor and pharmacist time to satisfy all the new requirements.

If you would like Advanced Rx to become your pharmacy, please check the box.

Please sign below stating that you have read and have been informed about the new government mandated rules for prescribers and pharmacists regarding controlled medication refills going into effect January 2019.

Feel free to speak with me, your provider or any staff member should you need more information.

Sincerely,

Mark T. Malone, M.D.
